### Sustainable light solutions

- High quality LED light
- Philips offers 5 year warranty on the LED module and driver
- Energy saving
- Cool white light
- Long operating life up to 25 years

**PHILIPS**

## Přednosti

### High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

### 5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

### Cool white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips light offers cool white light that keeps you energised.

### Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

### IP44 - weather proof

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.

### Long operating life

A light source you can trust. The LED bulb, delivered with this Philips LED lamp, will last up to 25.000 hours (which equals 25 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

## Specifikace

### Design and finishing

- Material: synthetics
- Color: black

### Product dimensions & weight

- Height: 13 cm
- Length: 12.2 cm
- Width: 8.5 cm
- Net weight: 0.267 kg

### Technical specifications

- Mains power: Range 220 V - 240 V, 50 Hz
- Bulb technology: LED, 230 V
- Number of bulbs: 1
- Wattage bulb included: 3 W
- Light color: cool white
- Lamp lifetime up to: 25,000 hrs
- Total lumen output fixture: 320 lm
- Fixture dimmable: No

- LED: Yes
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 30 W

### Service

- Warranty: 2 year(s)

### Packaging dimensions & weight

- Height: 14.8 cm
- Length: 13.3 cm
- Width: 9.3 cm
- Weight: 0.356 kg

### Miscellaneous

- Especially designed for: Garden & Patio
- Style: Contemporary
- Type: Wall light
